Sounds good. I am trying to get a rough draft SOM SOP to you prior to the meeting. This is a big issue with CVS and the DEA. I will speak on this a bit with the help from Chuck and Ken.

Thanks again for the invite and I will see you Tuesday.

The meeting portion I would like you to see for technology is from 9-11-30 and then have lunch with us. You can present anything you would like before lunch and then your free to go at anytime you would like.
